

# Decals on Helmets

## Stickers on Helmets Rule 1.16

- Manufacturers have advised that altering helmets in any way can be dangerous.
- Five manufacturers have responded regarding stickers and helmet safety.

Their response is:

## Recommendation

- Stickers Acceptable Path
  - Manager must have a copy (virtual or physical) of the manufacturer's letters
  - Limited to a small number of decals, no larger than the size of a silver dollar
  - Decals cover less than 20% of the helmet
  - Decals may not cover any warning labels
